Excess Applicable

Excess is the agreed amount of money the insured pays towards a claim and the remaining expenses will be settled by us up to the limit of cover.

Excess for all **Repairs** - \$50.00 or 10% whichever is higher

Excess for all **Replacement** - \$200.00 or 20% whichever is higher

How does the Excess Work?

Scenario 1 - Repair

Repair bill is at \$450.00 for a screen crack

Student will pay the first \$50.00

Insurance will cover the remaining \$400.00

Scenario 2 - Replacement

Due to extensive damage, the laptop is too expensive to be repaired, a replacement case will be considered

Student will pay the first \$200.00

Insurance will cover the remaining cost up to the insured value
